

M.O.M.'s AMAZING RACE

Meet at the Biltmore Hotel in Santa Clara, California. Make your way to the registration desk where you will receive your glorious goody bag and registration packet. Meet your new favorite buddy, "Tri-City Phil," that will accompany Moms everywhere during the race. Moms seen throughout the weekend with their new best friend, Tri-City Phil will be rewarded. Head south down the hallway using your key to find your way to your room. Unload your suitcases, food, and portable bar. Begin to search through your glorious goody bag and see what treasures it holds. Face your first roadblock and decide who will sleep with whom. Moms who snore the loudest may be eliminated from the race. Review the program booklet to decide how to best use your money on this leg of the race to buy raffle tickets later that evening and throughout the weekend. Make your way to the Friday Night Festivities where you will decide what fabulous activities you will participate in. Moms will form teams and be able to choose between several activities where they will enjoy meeting other moms. Saturday presents a detour after the general meeting session when you will have to decide what workshops you want to participate in. Join forces with another mom in helping to make your final decision before arriving at convention if you need to. Saturday night will be a night to remember for those Moms who choose to make this final pit stop.

During the Moms Amazing Race NCA Fall Meeting, Moms may encounter several roadblocks and pit stops along the way, but the Tri-City MoMs will be there to ensure that clues are provided at each intersection. At the end of the weekend, the last mom to check out will be eliminated from the race.
